

Simulation of Biological Neural Networks

Robin Pauli, Nicole Voges, Jyotika Bahuguna,

28/11 - 2/12 2016

Certificate Requirements

- Attendance at all lectures
- Tutor signs off on all daily exercises
- “Catch up” day on Friday

Course Materials

`add instructions to clone git repo here`

The small print

- After the lecture you may come and go as you please
- If you are working outside the iLab, you should return by 16:00 at the latest
- Likewise, if you are working outside the iLab, there will be substantially less flexibility for non-completion of exercises
- Try and help others, especially if you are waiting for help yourself
- No food or drink in the iLab
- Do not leave the iLab empty and unlocked
